

Pentecost

The day the Holy Spirit descended on the disciples.

When Jesus died his disciples were very sad.

When Jesus went up to heaven (ascended) the Holy Spirit came down (descended).

Having the Holy Spirit living in the disciples and with the disciples was a very good thing!

Even though we cannot see the Holy Spirit, it is around us just like the wind. Like the wind pushes things through the air, the Holy Spirit guides us and helps us do what is right!

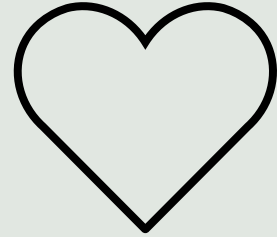

What is something you would like the Holy Spirit to help you with?

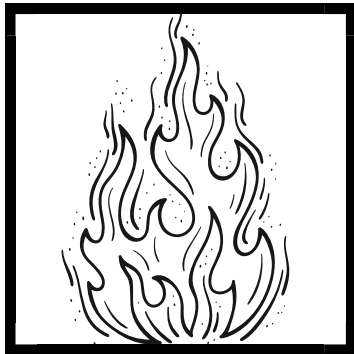

Handwriting practice lines consisting of four sets of three horizontal lines (top, dashed middle, and bottom).

Colour the symbols of Pentecost.

A symbol is when a word is used to represent something else. For example:
what could a heart be a symbol of?

The wind symbolizes the breath of
the Holy Spirit.

The fire symbolizes the the Holy
Spirit who filled the apostles with
courage to share Christ's story.

The water symbolizes new life and the
commitment we first made in our Baptism.
