

Ordinary

During Ordinary Time we celebrate the whole life of Christ and learn the meaning of living as his disciples.

In the Gospel we hear Jesus tell us that those who follow God are His family.
YOU are part of Jesus' family!

Families look different for everyone. What does YOUR family look like?
Draw a picture of all the people in your family!

Who is in your picture?

Handwriting practice lines consisting of three sets of three horizontal lines (top solid, middle dashed, bottom solid).

In the Gospel Jesus makes special mention that those who follow God and his commandments are part of his family.

The first and greatest commandment is 'Love the Lord your God with all your heart and with all your soul and with all your mind.'

Look at the pictures below and circle the ones that are examples of loving God!

God knows your heart and knows what you are capable of.
We can pray to God to ask Him for help for things that are hard for us.
God wants us to come to Him! Especially when things are hard!

Love the Lord your God
with all your heart and
with all your soul and with
all your mind.
