

Shepherd

Someone who looks after sheep. A good shepherd loves his sheep. He's prepared to make sacrifices to be sure that his sheep are healthy and safe! Jesus described himself as the good shepherd.

In today's Gospel we hear how Jesus truly loves and cares about all people just like a good shepherd! Jesus showed a lot of compassion for people.

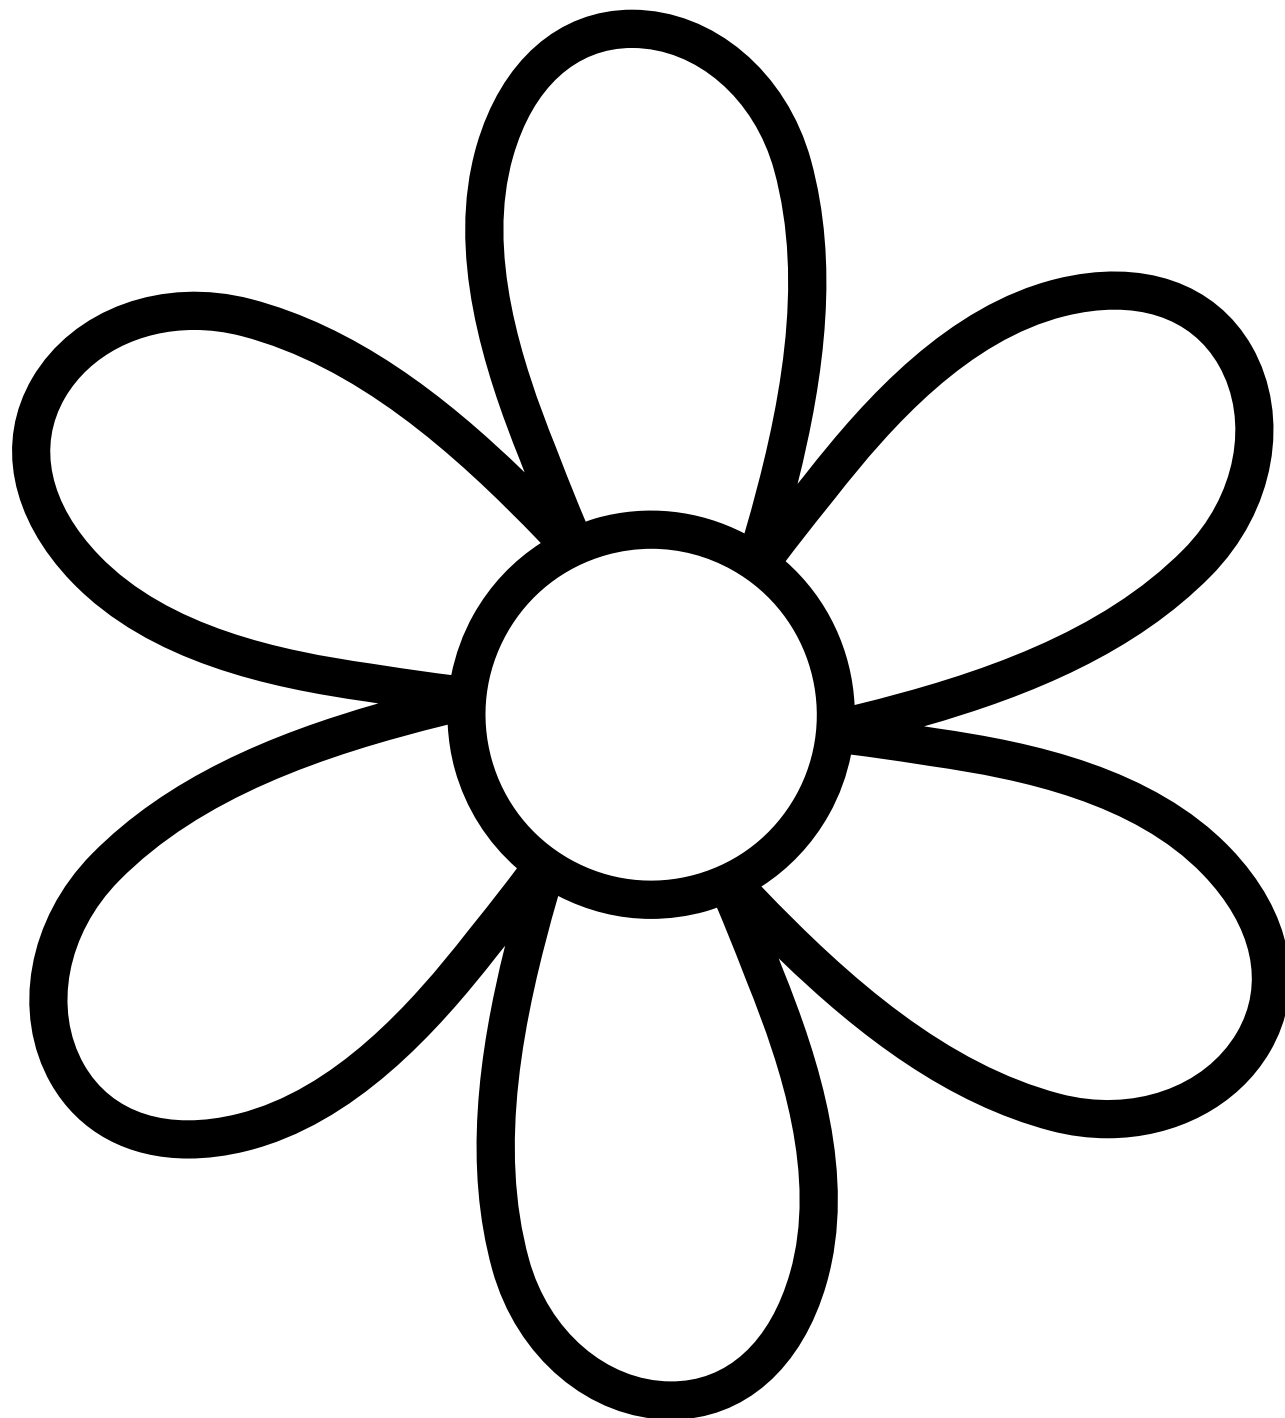

During his earthly ministry he healed a lot of sick people.

When Jesus died he didn't leave us though! His love and compassion is still alive and strong and he wants it to live on in us too!

Can you think of a time when you have felt sorry for someone in need? Have you ever been kind to someone?

We are all able to do different things. We all have gifts from God. What are some of the gifts YOU can use to help people in need? Write your answers in the petals of the flower!

Add extra petals if you need to!
