

A prophet is one who speaks on behalf of a God or who is divinely inspired to reveal the will of a God.

In this weeks Gospel we hear about how Jesus Considered h \underline{O} w to feed five thousand! He took a basket of bread fro \underline{M} a young boy and he:

- I. took the loaves of bread $fro\underline{M}$ the basket,
 - 2. blessed the bread with a prayer,
 - 3. broke $\underline{U}p$ the bread $i\underline{N}$ to $p\underline{I}$ eces,
- 4. gave $\underline{0}$ ut the pieces for the people to eat!

Do these actio \underline{N} s sound familiar? It is what we see the priest do at every mass!

It is Holy

Can you use the capital and underlined letters to spell the answer above.

But as they passed the bread around something surprising happened! The more pieces people broke off to eat, the more bread was still there to pass around!

Pretty soon, all 5000 people were full, and nobody went hungry!

How amazing that Jesus used a little boy to perform such a miracle!

And just think, that means Jesus could use YOU too!

I Spy 5000 fish!

- I. Colour then count each set of icons you find.
- 2. Write the number beside the icon on the grid.
- 3. Compare with a friend.
